JB: Thank you for your wonderful presentation, I found it very inspiring.

JS: Design the social and give space and inspiration for self-organizing processes - like in a food forest:-)

JS: Thanks a lot both of you for the presentation!

JP: Very useful presentation :)

aP: Thank you for the wonderful presentation and the invitation :)

MC: Design the social: very much agrees with a lot of other presenters especially in urban projects.

ES: Bridget and Charlie will be joining a live Q&A once this presentation has finished, make sure to join the session to participate in the discussion!

ES: Join the Q&A via the programme tab!

DR: Really agree about importance of beauty! Not often talked about.

SR: The gardeners shadow is the best fertiliser. Chinese proverb

SR: Wonderful presentation. Thank you both so much

SR: Its interesting that most people agree that nature is beautiful but somehow a wild garden is messy...? I guess we have to do some expectation management too
