GS: Yes more nurseries!

MH: Thanks Martin and the ART team, what an event! I've been able to follow Monday only and now I will have a lot of sessions to watch!

MH: I would love to meet all of you but I'm not sure it would have been possible for me to attend "live" (extra costs, not being with the family for an extra week, etc).

MH: Hurrah for the Foundation!

MH: It will be time for a BEER in the food forest now

MH: Next time it would be great to have a talk by the Dalai Lama, sure he would love forest garden ideas :)

EJ: Thank you all for sharing such diverse experiences and so much knowledge. I hope we meet in the forest next time.

EJ: Thank you all for sharing such diverse experiences and so much knowledge. I hope we meet in the forest next time.

YP: Thank you Martin and everyone involved make it possible!

Pv: Martin, this was absolutely amazing! Even with the great weather outside, I just wanted to attend every presentation and Q&A that I could. That says a lot. Very well done. What if... there were 5 more days of this...? ;-)

Pv: \*BIG APPLAUSE\* !!!

JB: Thank you so much. I have enjoyed every minute I was able to watch. And to have some of my many questions answered. It has been amazing to sense the edges of this inspirational movement. It just makes sense. I am so glad others feel the same and collecting

PV: A hopeful future in forest gardens is being regenerated in this symposium. Thanks Martin and everyone else for taking part in this!

CP: Dear Martin, thank you for all the work that went into organising this. It was really great. In away I'm glad it was not in person, as I wouldn't have been able to come to England at the best of times.

PE: Thank you Martin, team, and all !!!

MR: A late applause from me too. I appreciate a lot having been able to take part in this symposium. Hope to hear more from you all here and there. I especially hope people find ways to cleverly collaborate across borders. We need that.

AA: Thank you Martin! It's been fantastic. :)

Ss: An absolutely awesome and nourishing four days . Thank you all!

JF: Hi Martin,

JF: Hi Martin, I want to say a huge thank you for my bursary place at this Symposium. I have watched with fascination and inspiration. I feel much better equipped to go ahead with our embryonic Community Orchard Project here in Berkshire. I have so many resources

JS: Thanks for this fantastic week Martin and all to make me discover so many wonderful brothers and sisters in mind!

PL: give a skeptic an inch....and they'll measure it

PL: Thanks so much Martin

GN: It felt like a holiday! Such a super experience, thank you so much Martin, Sandra and the team. Peace and love and thanks to all:-)

JH: The conference isn't over yet! Lots of things still to watch. What an incredible collection of people and ideas. Hope we can capture some of the ideas and throw them forwards :)

JH: FFFantastic!

### Chat record

AS: That was an amazing conference! Thank you Martin and the rest of the team for putting in so much hard work and time. Great topics, great speakers. And tomorrow I will start to watch this all over again! I'm not into cooking, so nut nursery it will be for

Pd: Thank you Martin and team! Great conference

KB: dear all, having mixed feelings about this conference. Of course: superbly organised: content and logistics. But, man, how I longed to be out there, together with all of you. Next time I would really love us al to be LIVE in one place with even juicier pr

ME: martin, it was so FACKING FREAKING AMAZING INSPIRIN!!!!!! thanks all!!!!!!!

AJ: Tot ziens, dear Martin, and have an health toast and then well deserved rest

PG: Thanks for the chance to share knowledge, ideas and experience. It is really handy that we can keep on watching the presentations for the next few weeks and then even later on by tuning in to the website of the Agroforestry Research Centre. I hope that we

PG: Irene - see FAQ

AM: What a fantastic symposium; Forests Gardens are an idea whose idea has fully arrived!

MF: Thanks so much !!

MF: well done !! let's do it !

DH: Thank you so much Martin and team and speakers and everyone :)

AM: Thanks very much

KF: Thank you so much for this total commitment from all the organizers. All the presentations I saw were great, unfortunately as a gardener and designer I am very busy at this time of year. I will be catching up on the lectures in the summer. How about next

JP: THANK YOU !!!

BH: Thank you Martin, and everyone involved in providing this platform. Great energy, positive and creative thinking ...a huge success.

BH: Perhaps we could collectively offer a Grand Tour of Open days across closely connected projects so we can all travel independently and visit the garden projects collectively some time next summer?

KS: Thank you to everyone involved. A fantastic conference.

EV: Super well done!!!

aP: Thank you Martin, thank you all for being who you are and for doing what is right. We are in this together. Our efforts to synthesise and inoculate the best of human intentions and capabilities will without a doubt bare growth and fruit and nuts:) for gen

JM: Thankyou so much Martin and all the team for the amazing conference!

NK: Thank you very much for organising this event, it gives hope that so many people out there are going towards the right direction on producing food in a sustainable way!!

JS: Thanks very much, Martin and everyone involved in putting this together

CM: I had a brilliant week, thanks so much. A real dose of inspiration.

CM: Bravo!

MR: You have done a grand job pulling this together Thanks Martin , essential work for a better future , thankyou everyone , making it happen. right now back in to the forest garden :)

MR: just do it. so true. no ime to wait . dont let planning issues get in the way . climate change has dictated that the time is now .

MR: (standing ovation)

DL: Fabulous to find out about everything that is happening around the world. Thank you Martin

TR: What a wonderful event. Thank you Martin and your team for bringing us all together. SO much cutting edge knowledge assembled here, so much more to learn. Onwards into the food forest future!

DL: Just came across the conference on Monday evening and have been hooked to it. The only thing which diverted my attention was my own food forest in front of me. So thank you again.

RC: Thank you Martin and team for the hard work in organising such an amazing conference with such a diverse range of speakers and topics. . It has been inspiring, challenging and nourishing! So much to think about and to act on!

ES: Thank you everyone, see you next time!

IH: Thanks to all! For how long will the talks be accessible on the site?

IH: @Pip cheers

TR: Thank you all for the amazing knowledge shared and Thank you Martin for putting this important event together!

CM: Is Closing Address happening - can't see it.

CM: Love and thanks

BM: Absolutely wonderful conference, inspiring, thought-provoking makes me feel hopeful for the future. Thank you all so much for a wonderful week

JK: Martin, this was a wonderful experience. Thank you so much for all you have done. And thank you to all speakers and participants for being so inspiring. Now is the time for to pay it all forward!

FW: This has been an amazing set of speakers, how you pulled it all together, I dont know - but WOW. Thank you, Martin, Thank you to the speakers and thanks to Crowdcomms - this has been a lot smoother than some of the stuff I have seen in the day job.

NA: brilliant conference, very pleased to be able to look back over the sessions I have missed

KM: Thank you very much Martin for organising this syposium. this is the longest time I have spent indoors for years! It has been fantastic to receive such a diverse overview of forest gardening from so many different perspectives and different parts of the w

MW: has help reassure me with planning to attempt future projects and provide so much knowledge to apply and think about ideas raised. perfect before starting an my agroecology masters

MW: thank you martian and team!

kh: dear Martin and your team ! i will not be here for this session so i want to send a GRANDIOSO THANKYOU ALL for this week.. its been hard to keep up with the nice weather outside and watching every piece in real time. so im pleased to have more time to go

AA: Wow, What an inspiring symposium ! Very diversified speakers, topics, projects and references yet underlaying a very universal vision. Thank you Martin and the team for putting this together. You will be hearing from us in the Tropics with our What If, Wh

AA: Wevwill have a Malaysian Symposium soon !

PW: Thanks Martin and everyone else! My expectations for the week were quite high, but it was even better than I could have hoped for. Hope you can make the presentations available in some way later on, many of them would make great teaching material. Well do

HM: Thanks so much Martin & team, for an incredibly inspiring symposium with such a broad range of topics, all of them so interesting! It's also so inspiring to see other people creating forest gardens in the Mediterranean!
